Exam Facts

Tableau Certifications Official Website	: https://www.tableau.com/support/certification
Please Read Exam Guide Document	: https://mkt.tableau.com/files/DesktopSpecialist_ExamGuide.pdf
Registration	: https://www.tableau.com/support/certification
Exam Set-Up Document: (Complete the checks)	: https://mkt.tableau.com/files/Tableau-Certification-4-steps-to-examsuccess.pdf

When you pay and enrol for the exam you will get an e-mail.

Please read that e-mail carefully and follow the URLs provided in that mail.

On your exam day, you will (most probably) login to <https://tableau.lcsexams.com/> website and you will connect to the proctor.

This URL may change over time so please follow the URLs which provided you in e-mail.

Exam environment

------------------------------------	---

Objection to Exam Result (Only if you have TECHNICAL Problems)

Send mail to request investigation.

It is better if your mail includes “Exam Session ID” + “Proctor Name” + “System Date-Time”
